## Welcome to "Own Your Career" Seminar Series!

- *Are you curious about your technology career options?*
- *Do you know how you can get a job like theirs?*
- *What are the secrets to their success?*

If so, you do not want to miss this opportunity...

"Own Your Career" seminars will be given by presenters, who have excelled in their careers. These successful individuals generously accepted to share their personal career journey with us. Please join us as they describe their "typical" workday, sharing joys, challenges and annoyances in their careers, and offer advice to job seekers interested in following their career paths.
